

DIZZY DISCUSSION

***DO YOU FEEL OFF BALANCE? WONKY?
ROCKING SENSATION?***

Dizziness and vertigo may be caused as a result of a dysfunction in your inner ear, called your vestibular system (your balance system). Join us for a DIZZINESS DISCUSSION to learn the potential factors why you may be feeling dizzy from Vestibular Therapy Specialist, Dr. Morgan Kriz, and what you can do about it.

Saturday, March 28: 2-3pm

Stride Physio
